INDUSTRY SPEAKS

Nitin Garg
NBG Printograph

This is our 5th edition, we have seen the show grow from day one & I think has come a long way. We will be happy to participate in show in future also.

Neerav Parik
Line O Matic

We are participating for the first time in PackPlus, so we have very good visitors for our shrink rapping SWM50 machine & we are happy with Reed Exhibitions who has arranged this exhibition.

Saurabh Saxena
Flexituff Ventures Pvt Ltd

PackPlus is a platform to display & gave importance to our product in the market. We appreciate initiative taken by the PackPlus for last so many years & they are also coming with the novel ideas. I think we both can work forward for a longer period of time.

S K Shukla
A V Engineers

Our experience with PackPlus is very good. We are participating in this exhibition from last 5 to 6 years, it's a great pleasure to explore products in this exhibition because we are getting a lot of customers from different segments. Looking forward to continue this participation in future also.

Rakesh Sood
Allespack Systems Pvt Ltd

We are very pleased to the response we have received in the PackPlus. We have been participating from last 4 - 5 Years, we did not expect so many footfalls actually. We are thrilled with the response & lot of people appreciated the system which we have displayed. We thank PackPlus for providing us this opportunity & we will be participating in next year also.

Aureal Wei
Guangdong LiShunYuan
Machinery

This is the second time I am in India for PackPlus. PackPlus now every year giving different experience to our major customers. This time many customers & also lot of companies they come from China here. I am sure in coming days PackPlus will be the 2nd largest show in India, I am hoping exhibition will be great success.

VISITORS PRAISING PACKPLUS

“

The exhibition has wide range of products on display we were looking for. We could experience the new to market technologies covering complete solutions for packaging.
