August 2023

Pragati Maidan
New Delhi

Redefining business opportunities in packaging.

India's only event covering the entire value chain of packaging.

Built by

PackPlus is India's premium and most business focused event on packaging, printing & converting covering the entire value chain. Over the years, PackPlus has successfully created business conducting platform for the packaging industry in India. It is a focal point of industry stakeholders, key experts, live-demonstration, product launches and market trends from all facets of packaging and supply chain sector.

According to market research report, "The packaging industry in India is projected to register a CAGR of approximately 26.7% during the period (2022-2027)."

The growth of the market is majorly driven by the pharmaceuticals and foods and beverages industries. Huge investments in the food processing, personal care, and pharmaceutical end-user industries are creating scope for expansion of the packaging market.
