Industry Speaks

“Several big players are here to showcase their latest packaging solutions through live demonstrations and product launches. It is a great event for the packaging sector.”

Mr Sagar Singh, Deputy Director, Bureau of Indian Standards (BIS), Ministry of Consumer Affairs, Food & Public Distribution, GOI

“It is a fabulous exhibition with a mix of machinery, converters and packaging materials. It's really interesting to see how the industry is moving towards sustainable packaging.”

Mr Mudit Lawania, Packaging Technical Lead, Amazon

“The quality of visitors is really good at the event. We are very happy with the participation and are getting excellent leads for our business.”

Mr Sunil Bhayati, Head (Business Development), Harikrushna Machines Pvt. Ltd.

“PackPlus is an event which attracts industry professionals to source solutions for their packaging needs. We are very pleased with the response we got as an exhibitor.”

Mr Kaushal Verma, Deputy General Manager, Sales and Marketing, Nichrome India

Industry Speaks

“The response is very good, a lot of customers have visited our stall. The most unique experience of this event is that many new customers are coming to us looking to set a new business unit as corrugated packaging industry has immense potential in India.”

Mr Tushar Nagpal, CEO, Natraj Industries

“The attendees at the event are from plastic industry looking to invest in sustainable options as recyclability is taking centre-stage. We are very satisfied with the experience as we are displaying Paper Cup making machine and Paper cutting machine and getting excellent response.”

Ms. Ankita Meena, Global Link Impex

“This is the third time we are participating at PackPlus and we are overwhelmed with the response. The crowd is good and we are getting serious buyers at our stall.”

Mr Naveen Gupta, Managing Director, Prakash Offset Machinery Pvt. Ltd.

“The organisers have done a superb job in organising the PackPlus exhibition. It was great to be a part of PackPlus 2022 and we will surely will be participating every year.”

Mr Atul Asawa, VP & Unit Head, FlexiTuff Ventures
